

**Mock EQE 07.-09.09.2009 in Munich**  
**Discussion 19.-21.10.2009 in Munich**

The mock EQE provides participants with the chance to sit the EQE exams under exam like circumstances. The participants will sit the various exams (A[Ch], A[E/M], B[Ch], B[E/M], C and D) in the same order as the real exam and will be given exactly the same time to sit the paper. The exam papers will be selected from previous EQE exams and are chosen for their didactic value. The papers will be reviewed by experienced **epi** tutors. About one month after the mock EQE the tutors will discuss the papers in small groups. Each candidate will receive personal feedback on his/her work. Participants may sit any combination of papers.
